

ORANGE COUNTY GOVERNMENT LEADERS' PRAYER BREAKFAST 2018

Featured Speaker:
Author, CEO, Attorney
Phil Downer

Phil knew stress. He was well aware of it in his military service, his law practice, and his corporate life. He was less aware of how his stress affected those around him and his relationships with other people.

Phil Downer is a popular national speaker on leadership, core values, and the truths he has learned that have transformed his life. He was a senior partner at a 50-attorney law firm, president of CBMC, founder of DNA, and either author or co-author of eight books.

This annual program, now celebrating it's 32nd year, is modeled after the National Prayer Breakfast held in Washington D.C.

"Serving in public office is an honor, but it is very stressfull. Don't let that stress destroy your effectiveness, stamina, and relationships."
